Chief wants you both to get ahold of this video mentioned below and determine whose driveway the vehicle was in, and then standby for further direction. Thanks

>> Attached is the video last night ONE day after the police went and saw him and he gave them the “woe is me” I’m disabled song and dance. Only reason police weren’t called is I had to leave early for airport and didn’t have time to deal with this bs last night. He just doesn’t get it!
